Subject: NPPD Transmittal 299 – District Comments on G-5301 WFGD Specification, Rev. 3 of September 8, 2011 – SL-0305

Paul:

Enclosed with this letter are NPPD comments on S&L's G-5301 Wet Flue Gas Desulfurization (WFGD) Specification, Rev. 3 of September 8, 2011, submittal NPPD-SL-0305. Please note that only pages with comments are being submitted. Also enclosed is an updated version of the Outstanding Issues listing as I found further comments after sending Transmittal letter 298 on February 28, 2012.

Please have appropriate Sargent & Lundy personnel incorporate these comments to the WFGD specification in the next revision.

Please contact me at 308-386-5386 or via e-mail at [lmholms@nppd.com](mailto:lmholms@nppd.com) with any questions or comments concerning the requested actions.
